

DuPont™ StoneTech® Professional Paver Sealer and Enhancer

TECHNICAL DATA SHEET

PRODUCT BENEFITS

- Enriches color
- Standard protection against most stains
- Easy to use, water-based formula
- Interior and exterior use

RECOMMENDED SURFACES

Concrete Pavers, Masonry, Brick, Concrete, Mortar

AVAILABLE SIZES

Gallon, 5 Gallon, and 55 Gallon

COVERAGE

125–275 sq ft per gallon.

EXPECTED WEAR

2–5 years.

TECHNICAL INFORMATION

Form:	Liquid
Specific Gravity:	1.025
HMIS Rating:	1,0,0
Flash Point:	>201°F
Freeze Point:	32°F
pH:	7

VOC CONTENT

<400 g/L (excluding water) for EPA purposes.

38 g/L (including water) for U.S. state purposes (Low Solids Coating).

DIRECTIONS

Read entire label before using. Use only as directed. Test in a small inconspicuous area with a 24-hour cure time to determine ease of application and desired results. Allow new grout installations to cure for at least 72 hours prior to application. Be sure surface is clean, thoroughly dry and free of sealers, waxes and coatings. Ensure work area is well-ventilated during application and until surface is dry. Keep children and pets out of the area during application and drying.

1. Shake well before using.
2. Apply product evenly using a paint pad, roller or brush. Avoid applying product on unintended surfaces. Do not apply product with a sprayer.
3. Allow product to penetrate surface for 15–30 minutes. Spread excess over entire area for even penetration. Following penetration time, completely wipe surface clean with a clean dry towel.
4. A second coat is recommended for highly porous concrete pavers. Apply second coat 1 hour after first coat following directions in steps 2–3.
5. A full cure is achieved after 24–72 hours; foot traffic may begin in 6–8 hours. If needed sooner, cover the floor with red rosin paper to protect it until the recommended time periods have passed.
6. Clean tools used during application with water.

STORAGE AND HANDLING INSTRUCTIONS

CAUTION: MAY BE HARMFUL IF SWALLOWED. MAY CAUSE EYE, SKIN AND RESPIRATORY IRRITATION. Do not spray. Avoid prolonged exposure to vapors. Use only in a well-ventilated area. Do not ingest. Avoid contact with eyes and skin. KEEP OUT OF THE REACH OF CHILDREN. Do not freeze or store above 100°F/38°C. Do not mix with other chemicals.

EMERGENCY/FIRST AID PROCEDURES

Ingestion: Do not induce vomiting. Call poison control center. Call a physician immediately.

Eye Contact: Flush thoroughly with water for at least 15 minutes. Call a physician if eye irritation persists.

Skin Contact: Wash skin with mild soap and water. Call a physician if skin irritation persists. Launder affected clothing before re-wearing.

Inhalation: Remove to fresh air. Call a physician if respiratory irritation persists.

The DuPont™ StoneTech® Professional product line complies with all federal, state and local VOC regulatory requirements and is packaged in containers with at least 25% post-consumer recycled material.
